Dear Mr. Desserich,

On behalf of myself and all of the collaborators of this project, I am very grateful for your funding of \$205,000 for our “Establishment of an International Diffuse Intrinsic Pontine Glioma (DIPG) Registry.” Thanks to your generous support, we will be able to continue our work on this important registry.

- You are welcome to post this letter on your website as acknowledgement that the grant in the amount of \$205,000 has been made to our study.
- The institutional human protocol (2011-2764: “DIPG Registry and Repository”) is in place to continue to conduct this study indefinitely.
- Please see our attached W-9 form.
- As the lead researcher, I confirm that all the results and progress from this study will be used in a collaborative manner, inclusive of the institutions participating in the DIPG Collaborative.
- Within six-months, I will issue a progress report to the Strategic Advisory Council of The Cure Starts Now. Please note my contact information below.
- For more information about the protocol and how to enroll please visit our website, www.dipgregistry.org, or email our study coordinator at referrals@dipgregistry.org.
- We agree that in all future published data, presentations, web pages, blogs or other references to the grant and supporters, the following parties are named as sponsors of the protocol: “The Cure Starts Now Foundation, Hope for Caroline Foundation, The Cure Starts Now Australia, Jeffrey Thomas Hayden Foundation, Reflections of Grace Foundation, Soar with

Grace Foundation, Abbie's Army Charity Trust, Julian Boivin Courage for Cures Foundation, Smiles for Sophie Forever, Caroline's Miracle Foundation, Love, Chloe Foundation, Benny's World Foundation, Pray Hope Believe Foundation and the DIPG Collaborative".

We look forward to continuing to work with you in the battle against DIPG. We deeply appreciate all of your support.

Sincerely,

Maryam Fouladi, MD, MSc
